Dear Customer,

Sub: Introduction of **Autonics** - Sensing & Control Products.

We are pleased to introduce ourselves as the **Authorised All India Distributors** for the entire range of **AUTONICS Sensing & Control Products**.

- ❖ As **AUTONICS - Korea's** Authorised All India Distributors, we assure you of best Price and Delivery.
- ❖ We are an Excise registered company, you can avail CENVAT credit of ED / CVD from our Excise Invoices.
- ❖ ARE1 / ARE3 customers - please contact us; we have a solution for you.
- ❖ If you are eligible for customs duty exemption, we can supply on High - Sea Sales transaction basis.
- ❖ We have a huge list of fast moving items in our stock for catering to your urgent requirements.
- ❖ As we are clubbing requirements of various customers, we receive import consignments frequently.
- ❖ We have a fully furnished lab for testing samples for Sensor selection.
- ❖ We have a fully equipped Automation Training Center for Training Customers on PLCs, HMIs & Drives.
- ❖ We have an excellent Assembly Shop for System Integration of PLCs and HMIs with Panels and SCADA.
- ❖ We have experienced Project team for Instrumentation / Automation Jobs for Local / Overseas Clients.

The latest range of **AUTONICS** products and our associated activities include the following:

1. Proximity Sensors
2. Photoelectric Sensors
3. Fiber Optic Sensors
4. Pressure Sensors
5. Area Sensors & Door Sensors
6. Rotary Encoders
7. Sensor Controllers
8. Power Controllers
9. Switching Power Supplies
10. Timers – Analog, Digital & Totalizer
11. Counters / Timers – LCD / LED, Up / Down
12. Tacho / Speed / Pulse (Rate) Meters
13. Digital Panel Meters & Loop Powered
14. Temperature Controllers & Scanner
15. Bargraph & Process Indicators
16. Temp. & Humidity Transducers with Modbus
17. Pressure Transmitters & Sensors
18. Multi- point Temperature Indicators
19. Analogue & Digital Process Recorders
20. Device- Net Slave Modules
21. Touch Screen Graphic Panels
22. Stepping Motor / Driver / Motion Controllers
23. Display Units – 7/16 Segment LEDs
24. Tower & Signal Lights – Bulb & LED
25. Smart / Vision / Safety Sensors
26. PLCs, HMIs, VFDs & Servo with Modbus
27. Load cells, Weight Indicators & Controllers
28. Electrical Actuators, Gates & Dampers
29. PLC and SCADA based Control Panels
30. Instrumentation / Automation Projects

Looking forward to the pleasure of receiving your valued enquiries.

Yours faithfully,

For **Intech Controls**
