Dear Customers,

October, 2010

Sub: Introduction of **OMRON** Japan Control & Automation Products.

We are pleased to introduce ourselves as the Authorised Distributors for the entire range of **OMRON** Control Components & Factory Automation products.

Our client list includes prestigious customers like BHEL, Fenner, Flextronix, Ford, Foxcon, Hyundai, NISSAN, L&T, MRF, IGCAR, NLC, Nokia, Saint Gobain, SRF, TVS Group, Visteon, etc.

- ❖ As Omron's biggest Authorised Distributors in India, we assure of best possible Price & Delivery.
- ❖ We are an Excise registered manufacturing company to effect CENVAT, ARE1 & CT3 transactions.
- ❖ If you are eligible for customs duty exemption, we can effect High - Sea Sales for std. products.
- ❖ We have a huge list of fast moving Products in our stock for catering to your urgent requirements.
- ❖ We have a Sensor Lab with Vision Inspection System for testing Customer's samples.
- ❖ We have an excellent Assembly Shop for System Integration of PLCs and HMIs with Panel and SCADA.
- ❖ We have a fully equipped Automation Training Center for Training Customers on PLCs, HMIs & Drives.
- ❖ We have an experienced Project Team for Instrumentation/ Automation Projects for Local/ Overseas Clients.

The latest range of **OMRON** products and our associated activities include the following:

1. General Purpose, PCB & Power Relays	15. Displacement Sensors & Smart Sensors
2. 6mm thick Slim Relays & Relay Boards	16. Vision Inspection Systems & RFID Systems
3. Solid State Relays & Heat Sinks	17. Programmable Relays - ZEN Series PLCs
4. Micro Switches & Limit Switches	18. Economical Block type CP1 Series PLCs
5. Timers (Analog, Digital & Time Totalisers)	19. Modular CJ1 & CS1 Series PLCs
6. Rotary Encoders & Cam Positioners	20. Distributed I/O DeviceNet PLCs & Slaves
7. Counters (Event, Tacho, Preset & Multifunction)	21. Redundant / Duplex CS1D Series PLCs
8. Economical & Long life Power Supplies (SMPS)	22. Programmable Terminals (HMIs) & SCADA
9. Temperature Controllers & Process PIDs	23. AC Variable Speed Drives & Servo Drives
10. Digital Panel Meters & Process Indicators	24. Loadcells, Weight Indicators & Controllers
11. Intelligent Signal Processors (Multifunction)	25. Electrical Actuators, Gates & Dampers
12. Level Controllers & Meters	26. Pressure Sensors, Flow Meters / Totalisers
13. Proximity Switches (Inductive & Capacitive)	27. PLC Based Control & Automation Panels
14. Photo Electric Sensors & Fibre-Optic Sensors	28. Turnkey Instrumentation / Automation Jobs

Looking forward to the pleasure of receiving your valued enquiries.

Yours faithfully,

For Intech Systems Chennai Pvt Ltd

Authorised Distributors:

OMRON

An ISO 9001 : 2008 Certified Company

Autonics

General Purpose Relays

PCB & Solid State Relays

Micro & Limit Switches

Timers

Counters & Totalizers

Temperature Controllers

Digital Panel Meters
Intelligent Signal Processors

Floatless Level Controllers

Proximity Sensors

Photoelectric Sensors

Photo-micro Sensors

Fiber Optic Sensors

Lazer & Smart Sensors

Color & Vision Sensors

Non Contact Ultrasonic
Level Sensors & Controllers

Safety Light Curtains, Relays
Safety Scanners & Safety Mats

Encoders & Cam Positioners

AOI / PCB Inspection Systems

2D & RFID Systems

SMPS / Power Supplies

ZEN - Programmable Relays

CP1E - Economical PLCs

PLCs

PLC-Based Process Controllers

HMI's

Device-Net, Modbus I/O Systems

Inverters / VFDs

Smartstep - Servo Drives
